NELSON HOLTON CEMETERY

logued by John Holton, October 3, 1981.

The Nelson Holton Cemetery is located on land that belonged to Nelson Holton. After his death, the property was divided among his children and this cemetery of about 1.4 acres was set aside.

The cemetery is located approximately 2 1/2 miles from Salt Rock(Cabell) WV. south on Madison Creek Road, just beyond Rueban Branch Road.

At one time there were a number of unmarked graves. John Holton, upon information from his father, Gilbert Holton, has poured concrete markers for all the unmarked graves and has inscribed the names for all of them as well as birth and death dates as known.
