

Roberts Cemetery

This cemetery is located at the Mouth of Scary Creek, between Griffithsville and Hamlin. It is directly across from the bridge that crossed Mud River to Scary Creek, to the right on a hill coming from Griffithsville to Hamlin. There are several graves there, no markers, just stones. The two people known to me who are buried there are a Spurlock and his wife who I believe was a Pauley. He is the father of Burl and Nancy Ann (Spurlock).

The Spurlock buried in Roberts Cemetery is the Great great grandfather of Mable.
